**RE: WC Docket No. 05-25  
Special Access for Price Cap Local Exchange Carriers  
Order On Reconsideration, DA 14-1327, Released September 15, 2014**

Dear Ms. Dortch:

Per the Instructions in the above referenced FCC Order, **Telephone and Data Systems, Inc. (TDS)**, as the Parent/Holding Company, submitted to your office on December 11, 2014 an attachment listing all of its subsidiaries that are separately filing responses to the data collection questions for this Docket along with their associated FCC Registration Numbers (FRNs).

In its December 11, 2014 letter, TDS indicated that pursuant to the FCC's Extension Order<sup>1</sup> in this proceeding, TDS Telecommunications Corporation, a subsidiary of TDS, would file a streamlined Certification by December 15, 2014 (which was filed) and indicated that the remaining TDS subsidiaries/affiliates would file their required filings by the applicable deadlines.

In the attachment to the December 11, 2014 letter, TDS erroneously listed the legal entity name for its Bend Cable Communications, LLC subsidiary as Bend Cable Data Services, LLC. The revised attachment to this letter correctly identifies the entity as Bend Cable Communications, LLC and retains the correct FRN for that entity.

If there are any questions associated with this revised attachment, please refer them to Mr. Steven Pitterle at [steven.pitterle@tdstelecom.com](mailto:steven.pitterle@tdstelecom.com).
